

SOCIAL COMMITTEE

June 2015

Imagination and creativity welcomed! So many occasions...Easter, July 4, Back-to-School, Halloween, end of year holidays, Community Yard Sales...if only we had more volunteers. PS once had lots of children's events. But those children grew up and moved away. We need new events for a new group of young families!!

Just four residents who volunteer 1 hr /month would make a big difference. Many of you know each other from school functions, church, Bunco, etc. and are already sharing ideas on fun events. This is a chance to turn your ideas into reality.

There have been requests to "host block parties" - an idea that just needs a group to go first. Tell us on the Message Board what did and did not work and block parties will be springing up all over. Other smaller gatherings count as social events too - card games, running, book clubs, etc.

We will help you find more volunteers ...which means more ideas...more volunteers...more ideas - you get it. Share the tasks (food, entertainment, games, contests) and a Social Committee is born.

For more information please contact board@princetonsquarehoa.org.
