

Dear New Homeowner,

WELCOME! We are glad that you chose to move into our community. Princeton Square has many things to offer in addition to schools, shopping, parks, etc. Enclosed are informational flyers to help you start enjoying our neighborhood.

It is especially important that you register at (www.princetonsquarehoa.org) to receive Princeton Square emails. (Please see the instructions included). Most communications are via email and we don't want you to miss out on anything!

Our website provides a wealth of information such as: Events Calendar, Announcements, Message Board, Classifieds, Committees, ACC Guidelines, Modification Request Form, and Documents -- to mention just a few features.

We are currently voting on revisions to the Bylaws and Covenants. If you have not receive a copy of the proposed revisions **and** a Consent Form for voting, please contact Heidi Lindquist at Access Management (678.710.6089 or hlindquist@accessmgt.com). Also, contact Heidi about any issues related to amenities access such as a lost/disabled key card. For general questions or concerns, please contact board@princetonsquarehoa.org.

Once you are acclimated, you may want to become involved in our community. Volunteering for a committee or a one-time event is a great way to meet other residents of Princeton Square.

Again, welcome to the neighborhood!

HOA Board of Directors
